

Executive Coach

Job Description

We're looking to expand our associate team with world class Executive Coaches who are passionate about working with senior leaders across all business sectors. Our coaching programmes deliver exceptional results to each executive receiving the coaching and in turn, delivers commercial returns to the client organisation.

We pride ourselves on the expertise of our team and we believe it is one of our key USP's. Therefore, our expectations are significantly higher than many other organisations and we never compromise. As a minimum, we ask that you meet all of the following criteria:

- Have Director Level / Senior Management Experience in Business prior to becoming a full-time Coach
- Have an outstanding track record of delivering results for your clients (and can evidence this)
- Are a fully Accredited Coach with additional relevant qualifications
- Have run a successful full time Executive coaching practice for 5 years or more

We'd love to hear from you if...

- You're passionate about developing executives to be the best they can be and delivering a Return on Investment (ROI) for their organisation
- You have a wealth of happy clients who'll attest to your excellent coaching ability and you have capacity to deliver exceptional coaching to new client organisations via Notion
- You are based in the UK or elsewhere globally and are comfortable delivering executive coaching virtually and face to face

It would be an added bonus if you're able to fluently deliver coaching in multiple languages which is becoming increasingly important for Notion as our client base expands globally. We are particularly looking for those that can speak German, French, Japanese, Italian and Chinese.

By joining us you are becoming a part of our journey - to work with multiple senior executives in house-hold name organisations. You'll join the Notion peer network and will be invited to join our conferences and regular CPD events. Most importantly, you can focus on what you enjoy - coaching! Notion will bring the business to you and will provide full admin support for all your programmes as well as high quality materials for use with our clients.

Our team are incredibly successful, but don't just take our word for it, here's what our clients and learners say about us:

"Notion's knowledge and level of professionalism is outstanding. They design and deliver products to an exceptionally high standard. The emphasis they place on ROI means they have provided solutions that are effective, business focused and measurable. They have been fantastic to work with."

"The ROI was fast and tangible - the inspection result was excellent...also reported measurable improvements such as increased productivity, better team working, managers taking a more proactive approach and handling problems better. I have no hesitation in recommending Notion."

If all of the above sounds like something you would like to be a part of, we would love for you to get in touch. Simply follow this link for more information on how to apply:
