

CONGRATULATIONS! 2018 Top 50 Coach Award Presented To Laura Ashley-Timms and Notion by CV Magazine

Congratulations to Laura Ashley-Timms, Coaching Director at Notion on her 2018 Top 50 Coach award. This prestigious honour was presented by Corporate Vision Magazine for her services to the coaching industry.

Based entirely on merit, the award 'identifies and celebrates some of the world's most inspiring, influential and innovative coaches, and commends them for their efforts throughout the past 12 months'. Corporate Vision say, "[this] recognition is truly deserved...we have worked hard throughout the year to identify those who have gone above and beyond to provide expert coaching and support to clients."

Operating in many sectors across the globe, Laura's work at Notion includes designing and facilitating the delivery of first-class Executive Coaching, Business Coaching, Team Coaching, Accredited Coaching Skills Training, CPD and Supervision programmes, and Leader and Manager Development

Programmes, for her own client work as well as for the other 15 world class coaches in Notion's team.

Founded in 2000, Notion's early mission was to 'change momentum' in organisations by helping Leaders and

Managers to develop behaviours that can transform the commercial success of their organisations. Now a global expert in behaviour change, supported by an exceptional head office team in Warwickshire, Notion's team includes some of the world's leading Executive Coaches and Trainers.

As well as being a driving force behind Notion's success as a global coaching expert, Laura has been instrumental in delivering true innovation into the marketplace in the form of **STAR® Manager**.

STAR® Manager is a revolutionary, 100% virtual, blended behavioural change programme that can be accessed by users at any time, in any place, via any device. It has been described as **"the first of its kind"**, an **"award winner"**, and a **"game changer"** by Andrew Joly, Leo Learning's Director of Strategic Design, and it has already started to disrupt how behaviour change is achieved in organisations.

Laura is delighted with the accolade, saying, *"I am very honoured to receive this award and I accept it on behalf of everyone at Notion and to those who have worked tirelessly to bring STAR® Manager to life so that we can continue to help our clients to achieve outstanding levels of engagement, performance and productivity, even in these enormously changeable and challenging times."*
